Susan,

Thank you for providing the information to EPA. Your email references shapefiles Linda Delay forwarded to EPA. We have not received shapefiles on mine/mill locations, just Cibola County residential data.

Kevin

LaDonna:

Here is the New Mexico AUM inventory spreadsheet. There are 2 spreadsheets – mines and mills. The locational info for the L-Bar mill is incorrect in the spreadsheet, but it was corrected in the shapefiles Linda Delay forwarded to EPA. This spreadsheet covers the entire state, including a portion of the Navajo Nation.

I'll forward the metadata/column definition in a separate email.
